A Whole Home

Since inception our vision has been to be globally respected as a leader in upholstered furniture.

Over the years we have made that vision a reality because we are driven by the belief that beautiful and comfortable furnished spaces positively impact the lives of all who dwell within them.

Vision

Continuously improving, we are expanding our fashion-forward design aesthetic into new categories like motion and dining furniture.

Our Accent on Home division—which offers decorative accents like occasional tables, lamps and mirrors, side boards, consoles and storage.

Exceptional

Our quality standards are stringent. ISO Certification governs everything from raw materials to construction and delivery, and continuously measures customer satisfaction.

Quality

We have diligently adhered to the ISO 9001 standard for years, ensuring that our products are delivered on time, every time, with zero defects. Our team has been working for the past year to implement and comply with newly revised ISO standards for 2018, because we believe you cannot be stagnant in today's competitive marketplace.
